Attorney Docket No: MCGJ101

Title: APPARATUS FOR HOLDING A
CATHETER BAG**PETITION UNDER 37 CFR 1.181
AND STATEMENT IN SUPPORT THEREOF**

TO: Honorable Commissioner of Patents
ATTN: Catherine Short
Manager of United States Designated / Elected Office
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Please accept the following copies of papers, originally submitted on May 18, 2005, and move the aforementioned application onward for Examination.

Please accept the following copies of documents, attached as Exhibit A, that were submitted to the United States Patent Office on May, 18, 2005 in response to a Notification of Missing Requirements. These items are true and correct unsigned office copies of the signed papers that were sent to the Patent and Trademark Office. Please also find a stamped return receipt postcard indicating receipt of these papers in the United States Patent and Trademark Office on May 18, 2005.

After repeated attempts to determine the status of the aforementioned application, Applicant's attorney received a letter on May 2, 2006, which notified the Applicant's attorney that a review of the aforementioned application file fails to show the presence of any Response to a Notification of Missing Requirements.

Statement in Support of Revival of Application

BEST AVAILABLE COPY

This notification then indicated that if examination of the application was desired that the Applicant must prepare and file this petition to accept copies of this previously filed Response. A copy of this letter is attached as Exhibit B.

This petition and submission is made pursuant to the instructions set forth in Exhibit B, and the petition fee of \$400.00 is included pursuant to 37 CFR 1.182. Applicant's attorney believes that this petition is proper and requests acceptance thereof.

Applicant's attorney also respectfully submits that in as much as the copies now being provided are done to replace the originals that were previously and timely received by the Patent and Trademark Office, but have apparently been misplaced, that the fee for this petition to place copies of these previously submitted items into this file, should either be waived or refunded back to the Applicant.

Applicant respectfully requests that this petition be granted, that the items in Exhibit A are accepted into the application file and that the application be allowed to pass on for Examination. If you have any questions or concerns in this matter, please feel free to contact me.

DATED This 4th day of May, 2006.

Respectfully Submitted,

DEREK H. MAUGHAN

Dear Mr. Maughan:

This is in response to your request received 24 February 2006¹ inquiring about the status of U.S. patent application number 0/516,486. The Office electronic records and a manual review of the application file show no record of a response to the Notification of Missing Requirements allegedly filed 18 May 2005. Should prosecution of the application be desired, applicant should file a petition under 37 CFR 1.181 requesting the Office to accept copies of all the papers submitted on 18 May 2005 along with evidence of receipt of these papers in the Office on the date indicated above. The request should also contain a statement from the attorney of record indicating that these copies are true copies of the papers previously submitted to this Office. The request should be sent to the attention of Catherine Short, Manager of the United States Designated/Elected Office.

Sincerely,
